Dear Contact Name,

I/We/Org Name would appreciate your consideration of sponsoring a visit to our community by The Three Doctors on **date here** at **location here**. Please visit their website at www.threedoctors.com for details about these exciting activists, authors and role models!

Drs. Sampson Davis, Rameck Hunt and George Jenkins are nationally know for their inspirational story of making a pact as inner-city youth to help each other overcome major obstacles to reach their goal of becoming doctors. Today, The Three Doctors travel the country spreading their positive message of educational excellence and healthy living which is something our community greatly needs at this time.

The Three Doctors have authored two autobiographical, best sellers entitled *The Pact* and for kids, *We Beat the Street*. In October 2007 the doctors also released their newest book which addresses the issue of fatherlessness called, *The Bond*. These books have brought the doctors major acclaim and media coverage, which includes television appearances on *Oprah*, *The View* and in magazines like *People*, *Essence* and *Readers Digest*.

Your generous sponsorship will be recognized during the event to our entire community which could include logo placement and sharing materials about your business with all in attendance. We do hope you are interested in supporting this special visit and kindly ask you to reach out to us for further discussion or you may contact the doctors' Executive Director, Windy Smith at windy@threedoctorsfoundation.org or at (973)493-1030.

Please accept our thanks and gratitude for your consideration of our request

Sincerely,

Your Name
